GOVERNORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2016

The governors (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of The Oratory Schools Association (the company and the group) for the year ended 31 August 2016. The governors confirm that the Annual report and financial statements of the company and the group comply with the current statutory requirements, the requirements of the company and the group's governing document and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Oratory Schools Association is a Charity (Registered number 309112) constituted under a Declaration of Trust in 1927, amended by Deed of Agreement in 1931. It is incorporated as a company limited by guarantee. Its Memorandum of Association was amended by special resolutions on 2 March 1950, 11 June 1980, 5 November 1984, 30 April 1997 and 26 January 2011. Its Articles of Association were adopted by special resolution passed on 30 April 1964 and amended by special resolutions on 11 June 1980, 16 June 1982, 5 June 1986, 30 April 1997 and 26 January 2011.

Governing Body

The governors are charity trustees, directors and members of the company. New governors are appointed by the Board of Governors following screening and approval by the Finance & General Purpose Committee. Governors are appointed for three years after which they retire or are re-elected to the Board. The governors who served during the year were:

M H R Hasslacher (Chairman)
C J Sehmer
M J Berkeley
B F H Bettesworth
Rt Rev R J Byrne
Mrs M Cochrane
Mrs M E Edwards
Professor P W Evans
F J Fitzherbert-Brockholes
C J French
Dr C B T Hill Williams
HH K A D Hornby
Mrs J C Moulder
N R Purnell
Rev J N Saward
M W Stilwell

The members of the Board of Governors retiring by rotation at the next Annual General Meeting will be Mr B F H Bettesworth, Rt Rev R J Byrne, Mrs M Cochrane, Dr C B T Hill Williams and HH K A D Hornby.

Recruitment and Training of Governors

New governors are elected by the existing governors, acting by majority. The governors regularly seek to recruit and appoint highly qualified volunteer governors, and new governors are selected on the basis of the contribution that they will make to the governance of the Association and the skills that they will contribute. New governors are provided with a Governor's portfolio containing detailed information about the Association and the schools and given an introduction to the activities of the Association by a member of the Finance & General Purpose Committee. Existing governors are encouraged to be trained and are provided with training as and when required. Training sessions were held during Michaelmas term 2015 and Lent term 2016 and all governors are encouraged to attend AGBIS seminars throughout the year to maintain an up-to-date knowledge of their role. All Governors have undergone Safeguarding and Prevent training.

Organisational Management

The Governing Body provides strategic leadership to the Association. It meets formally three times a year. It elects a Finance & General Purpose Committee, which meets at least six times a year. There are Property, Academic and Investment sub committees, which meet as required.

The members of the Finance & General Purpose Committee are detailed on page 1.

The member of the Finance & General Purpose Committee eligible to retire by rotation at the Annual General Meeting will be Mr C J French.

The day to day management of the schools is entrusted to the respective Headmasters supported by their Senior Management Teams, together with the Bursar. The Headmasters and the Bursar, who are listed in the company general information section, attend meetings of the Governing Body, the Finance & General Purpose Committee and the sub committees; the Bursar also acts as Clerk to the Governors. Key management personnel are remunerated at appropriate levels as determined by the Finance & General Purpose Committee.

Particulars of the Association's professional advisers are also detailed in the company general information section.

Group Structure and Relationships

The Association owns 100% of the ordinary share capital of Oratory Trading Limited, which provides leisure, sporting and recreational activities to third parties and runs retail outlets on the sites for uniform and tuck. It donates the majority of its taxable profits to the Association under gift aid. The results and position of Oratory Trading Limited are included in the consolidated financial statements.

The Association also owns 100% of the ordinary share capital of Academy Catering Limited; this company is dormant.

Risk Management

The governors examine the major risks that the Association faces each financial year. Various sub committees and key individuals have taken responsibility to monitor, control and report on these risks to mitigate any impact that they may have on the Association in the future.

The key controls used by the Association include:

- formal agendas for all Board and committee activity
- detailed terms of reference for all committees
- comprehensive business planning, budgeting and management accounting
- the maintenance of a regularly reviewed Association risk register
- established organisational structure and lines of reporting
- formal written policies
- clear authorisation and approval levels, and vetting procedures as required by law for the protection of the vulnerable.

The Governing Body maintains a Risk Register, which is reviewed regularly at Committee meetings. The Register, which is maintained by the Bursar, covers such areas as:

- Governance risk
- Operations risk
- Financial risk
- External risk
- Compliance with the Law risk

The main risks to the success of the Association are considered to be:

- Educational standards
- Affordability
- Competition from other local schools
- Ineffective strategic communications

OBJECTIVES AND ACTIVITIES

Charitable Objects

The objects for which the Association is established are to provide for boys and girls in any part of the world, general, physical, moral and religious education in particular in accordance with Roman Catholic doctrines and practices and for that purpose to carry on and maintain The Oratory Schools.

The objects are presently met by the Association being currently responsible for The Oratory School and The Oratory Preparatory School.

The Oratory School was founded by Blessed John Henry Newman in 1859 specifically to meet the educational needs of the Roman Catholic laity, and in founding The Oratory School, Newman created a new type of Roman Catholic education which he foresaw as meeting the needs of the modern age. The Association now educates children of all faiths, and none, in an inclusive Catholic context.

Today the schools are lay run as Newman had always intended them to be. Pastoral care of the pupils is thus in the hands of lay men and women whilst the Chaplain is parish priest to both school communities and the lay staff work with him to promote the Roman Catholic life of the schools.

Newman wanted his school to have the atmosphere of home, and we have been able to provide friendly residential accommodation designed so that the House staff can maintain an easy supervision over the pupils.

The Association is proud to have as its Founder a great Christian thinker, but is even more proud to be entrusted with his vision of Roman Catholic education to produce Christian educated young men and women for the modern age.

Public Benefit Aims

The Association's principal purpose is to educate and, in doing so, it provides a number of benefits to the public, including:

- Sharing its facilities with the local communities and organisations, primarily those with a Roman Catholic affiliation.
- Providing means tested bursaries to enable boys and girls from less wealthy families to enjoy the benefits of an education by the Association.
- Instilling in pupils a sense of public service and an understanding of how the benefits they have received through their education can be used to the advantage of the wider community.
- Furthering the Association's charitable objects.

The main beneficiaries from the Association's work are boys aged 2 to 18 and girls aged 2 to 13 attending its schools. The Association offers means tested bursary support for less well-off families. There are no geographic restrictions on entry.

The governors have considered the operation of the Schools and do not believe that there is any detriment resulting from their activities that should be offset against the benefit they provide.

The aims of the Association continue to be reviewed by the governors in the light of the Charity Commission's general guidance on public benefit and the governors are satisfied that the Objects and aims allow the delivery of public benefit that is related to the aims and the report that follows demonstrates that those benefits are tangible and considerable. In the furtherance of these aims, the governors have complied with the duty in s.4 of the Charities Act 2011 to have due regard to the Charity Commission's published general and relevant sub sector guidance concerning the operation of the Public Benefit requirement under that Act.

Public Benefit Achievements

In addition to its educational work, it remains an objective for the Association to be a good neighbour to and to be an active part of the local community. The governors believe that a school has a duty to extend its services to its community, and can thus, in the broadest sense, identify its beneficiaries as all who benefit from the institution.

The Association raises funds continually for a number of charities and it makes its sports facilities available mostly at no cost or for a nominal charge to a large number of local schools, clubs and groups.

The governors continuously keep under review the public benefit that the Association provides. The Board of Governors considered, in particular, the supplementary guidance for charities that advance education and for fee charging charities and built its conclusions into its Public Benefit Strategy.

In 2015/16 there were 74 pupils (64 in 2014/15) receiving bursaries for all or part of their fees, according to their families' circumstances. The Association also provides three completely free places to be awarded to deserving Catholic pupils who would not otherwise be able to afford the fees. The Association provided space and support for a number of organisations, including:

a. Subsidised use of facilities for a residential retreat by the Confraternity of Catholic Clergy.
b. Subsidised use of facilities for a residential Evangelium conference.
c. The swimming pools at both schools are used by 17 schools, both private and state, as well as clubs and groups.
d. The Prep school pitches are used by a local youth football club.
e. An Oratory School minibus is made available to a local state primary school to allow it to use the School's facilities.

The Association offers a variety of scholarships at both The Oratory School and The Oratory Preparatory School recognising academic, sporting and musical ability as well as all round achievement. Scholarships are awarded by the Headmasters following examination and review.

The Association intends to reduce the value of scholarships awarded as a proportion of total fees and increase the amounts awarded through means tested bursaries. However, because scholarships awarded at age 11 or 13 will be effective for seven or five years, the total cost of scholarships will fall slowly. In 2015-16 the cost of scholarships amounted to £514,000 (3.65% of total fees) [£488,161 or 3.53% in 2015]. The cost of means tested bursaries and free places at both schools amounted to £401,000 (2.83% of total fees) [£420,114 or 3.04% in 2015].

Educational Achievement at The Oratory School (Ages 11 to 18)

The Upper Sixth Form achieved a good set of A Level Results, with the overall pass rate of A*-E grades increasing year-on-year, thus enabling a significant number of students to enter their first choice of university. The percentage of A* grades was 18% and the percentage achieving A grade or above was 37%. Particular mention should be made of the following results: 2A*, 1A (Bath - Chemical Engineering); 1A*, 2A, 1B (Surrey – Engineering); 1A*, 2A (Bath – Economics); 1A*, 2A (Durham – Classics); 1A*, 2A; 2A, 1B (Sheffield – French and Economics). The majority of boys moved on to their first choice university and there were a number of personal success stories. The most popular destinations for leavers this year were Exeter, Bath, Oxford Brookes and Bristol UWE.

Particularly outstanding were the results for Art & Design with 16 Distinctions at Pre-U and 17 A* at A Level, re-enforcing the Art Department's reputation as being the best in the UK at both Pre-U and A Level. The Lower Sixth Form also achieved an encouraging set of AS Results where applicable, although a number of courses have already moved on to the new linear A Level syllabuses.

At GCSE in the Fifth Form the overall pass rate A*-C was 84% with 40% of grades awarded at A or A*, the latter statistic a pleasing increase on the previous year. Particularly noteworthy were the top achievers in the year: 10A*, 1A and A in Additional Maths; 7A*, 3A, 1B and A in Additional Maths; 7A*, 3A; 7A*, 2A, 1C; 7A*, 1A, 3B and B in Additional Maths.

The musical highlight of a successful school year was the concert of Fauré's Requiem in St George's Chapel, Windsor Castle.

The school's sport continues strongly. Many boys play representative sport for counties, top level clubs and even international sides. The football 1st XI won the Thames Valley League and the rugby 1st VII got to the last 16 of the Rosslyn Park national competition. A recent Old Boy represented Oxford University in the Varsity match for rugby. Minor sports, such as golf, water polo, handball and swimming are thriving. The school's Real Tennis continues to be strong, with two boys coming third in the British Junior Doubles Real Tennis Championships and one reaching the quarter-finals of the Irish Championships. The school's 1st XI cricket pitch was selected as one of the most beautiful 100 pitches in the UK.

The school's drama department put on successful productions of *Amadeus* and *A Tale of Two Cities*.

Educational Achievement at The Preparatory School (Ages 2 to 13)

The school continues to offer an all round education to boys and girls in its care and to encourage effort and achievement both inside and outside the classroom. This breadth of educational experience is evident from the number of awards gained by the pupils leaving at 11+ and 13+, who between them won 14 awards (academic, music, art, drama, sport and all round). 8 pupils left Year 6 and 42 left Year 8 at the end of the Summer Term, with 11 boys going on to the Oratory School.

In the Commonwealth Essay competition, one pupil was one of two Highly Commended awards in the Junior Section, which effectively meant that he was joint third in the Commonwealth. He was also the highest placed recipient of an award from the United Kingdom.

In sport, all girls and boys had the chance to represent the School in competitive matches, as the School continued to pursue its twin aims of sporting excellence and "sport for all". In rugby the under 8A and Colts A went unbeaten and the 1st XV reached the last 64 of the national schools cup narrowly losing to a school in Gloucestershire. In football the school increased its win percentage to 78.4% (up 18.3%) scoring a record 605 goals in the process with the U8A, U8D, U9E, U10A and Colts B finishing their season unbeaten. Boys also attended trials with QPR, Swindon, Wycombe, Reading and Oxford throughout the year with Southampton hosting a tournament on the school grounds for all local schools. The Pre Prep hosted their 8th annual football tournament where the Y2 boys narrowly lost to Chandlings in the final. The Cricket season also saw a rise in the win rate increasing 72% (25% increase) with the U8A going unbeaten all season. 8 boys were recruited for county cricket for the winter season from our school.

The girls had a record number of sports scholarships for the academic year with three girls achieving sport related awards to Bradfield, Wellington and Abbey. The U8A and U9A had unbeaten season in Hockey and the U11A and 1st VII lost only one match throughout the Michaelmas term. The U9A and U9B won the Yateley Manor hockey tournament and the 1st VII won the Thorngrove Netball competition.

The School had much success in minor sports with the OPS winning the OPS Cross Country Meet and Eagle House from 21 different schools. There were first place finishes in four of the races at both events. The School came narrowly second at the OS Greyhound meet and also Ludgrove relays. In Athletics it won the St Andrews meet and all the relays bar the U10 Girls. New sports were introduced to the minor house competitions this year in Table Tennis, Water Polo, Badminton, Real Tennis, Volleyball, Ultimate Frisbee and Triathlon as the activities programme continues to blossom.

In swimming, three pupils finished in the top ten nationally in their events at the IAPS prep schools finals. One boy won Bronze in the long jump at the IAPS National Championships and a Year 3 girl represented Great Britain in Biathlon in a competition in Italy, where she finished fourth.

The School continues to produce quality drama throughout the age range. Once again the OPS performed in the prestigious Shakespeare Schools Festival, this year with a production of *Hamlet*. Year 3 performed "Peace and Goodwill" and Year 4 Jack and the Beanstalk. Senior pupils put on a production of Oliver – including staff members. An increasing number of pupils have started to attend Lamda sessions, either in group or individual lessons. All the children who were entered for examinations last term passed with distinction.

Music continues to be a particular strength, with nearly three quarters of pupils in the Prep part of the School receiving individual musical tuition and large numbers participating in the various choirs and instrumental ensembles. The school's Jazz Band went on tour to Torquay once again. The Choristers sang St Cecilia Mass in St John's Church, Hyde Park in the Autumn term and recently led the Mass with the Schola from the Oratory School at the Catholic Independent Schools Conference near Oxford.

Residential trips for pupils included those to Paris northern France (Year 6), Belgium (Year 8), Rome (Year 7), Shropshire (Year 7) and South Africa (Year 8). Year 8 also go to Skern Lodge in the summer and all Year 7 girls to Kilve Court at the start of the school year. Beardog Camps are organised for both Year 4 and Year 5 pupils. A host of other activities and visits enrich a very full academic and co-curricular programme.

REVIEW OF ACHIEVEMENTS AND PERFORMANCE FOR THE YEAR

The principal activities for the year have been the running of two schools with more than 700 senior and junior pupils and the continued development and enhancement of the organisation.

This year, works carried out at The Oratory School included major refurbishment of the main Chapel roof, the Refectory and works on the gas safety system to the Morey building laboratories. At the Preparatory School, further improvements were achieved in the upgrading of year group classrooms and the provision of a special needs classroom. In addition, considerable work was carried out in the areas of health and safety and accessibility to ensure that not only were the schools compliant, but also that the provision in both areas is improved year-on-year.

Investment Performance

The Association's portfolio is managed by Ruffer LLP and showed a 7.1% improvement over the twelve months to 31st August 2016. Their results are monitored on a regular basis.

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

Reserves Policy

- The notes to the financial statements detail the level and movement of reserves held by the Association. The reserves policy has been based on the Association's objectives. Its main features are:
- To provide resources to cover for unexpected or unavoidable expenditure that cannot be met from current income.
- To achieve a margin of working capital sufficient to enable all aspects of the schools' activities to be conducted efficiently.
- To build reserves to repay borrowed funds used for the major building programme for improving boarding and other facilities.

Funding

In 2001 the governors of The Oratory Schools Association embarked on a major building programme. This eventually included two new boarding houses, a major renovation of the theatre and a state of the art swimming pool, housed in a major renovation of the Sports Hall at The Oratory School; a purpose built swimming pool and an Early Years Centre at The Oratory Preparatory School; major improvements to classrooms, maintenance facilities and staff accommodation at both schools and the purchase of a number of houses for staff in the village. In 2015, after fourteen years, this major programme came to an end and the governors decided that there should be a period during which no more major on site developments would take place.

This building programme, which cost in the region of £25 million, was financed largely by provisions set aside for depreciation of assets and from bank borrowings which, in turn, also need to be repaid over time out of similar provisions. Over the years, loans totalling £6,750,000 have been taken out with repayments due over 15 to 20 years; overdraft facilities have also been available to cover short term troughs in cash flow. With the planned temporary hiatus in the building programme, the governors decided not to increase long term borrowings further at that point but to use the overdraft facility also to cover some of the recent construction costs. The increase in the resulting overdraft led to an increase in the deficit of net current assets, but it is not the intention of the governors to maintain it at that level and, to the extent that some ongoing lower level development may be necessary, further bank loans will be considered.

Results for the Year

The increase in consolidated funds before investment and actuarial gains and losses (£253,131) showed a material improvement over 2015 (£187,666).

The effect of pension scheme adjustments are detailed in Note 28 to the accounts.

The Governors' policy is to maintain adequate liquidity either from cash or overdraft facilities. The Governors have continued to keep the bank overdraft facility under review to ensure there is adequate cover for the schools' working capital requirements.

Investment Policy

The Governors' powers are to invest the monies of the Association not immediately required for its purposes, in or upon such investments, securities or property as may be thought fit, and in any part of the world, subject nevertheless to such conditions (if any) as may for the time being be imposed or required by law. The Association has placed its funds with professional managers and monitors the results on a regular basis.

FUTURE PLANS

The Association's key objectives are:

- To achieve and maintain the school rolls at a steady state level of approximately 400 at each school;
- To improve the current high standards of academic achievement as measured by external public examinations and independent value added criteria;
- To provide a full size sand-dressed astroturf pitch for the Preparatory School;
- To provide a dedicated Sixth Form Centre at the Oratory School;
- To develop St Philip House, junior house to the Oratory School;
- To continue to build links with local secondary and junior schools;
- To continue to increase and encourage community access to the schools' facilities.

Fixed Assets

The Woodcote Estate is vested in Trust for the benefit of and for free use by The Oratory School. The Oratory Schools Association, as owner of the School, is responsible for all outgoings thereon.

The value of the land and buildings for insurance purposes is approximately £19,360,000 higher than book value. No calculation of the deferred tax arising on this excess has been made because The Oratory School Trust has no intention to sell and the company is not subject to UK corporation tax.

GOVERNORS' RESPONSIBILITIES STATEMENT

The governors (who are also directors of The Oratory Schools Association for the purposes of company law) are responsible for preparing the Governors' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company and charity law requires the governors to prepare financial statements for each financial year. Under company and charity law the governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable group will continue in operation.

The governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company and the group's transactions and disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITOR

Each of the persons who are governors at the time when this Governors' report is approved has confirmed that:

- so far as that governor is aware, there is no relevant audit information of which the company and the group's auditor is unaware, and
- that governor has taken all the steps that ought to have been taken as a governor in order to be aware of any information needed by the company and the group's auditor in connection with preparing its report and to establish that the company and the group's auditor is aware of that information.

AUDITOR

The auditor, James Cowper Kreston, will be proposed for re-appointment in accordance with Section 485 of the Companies Act 2006.

This report, incorporating the Group strategic report, was approved by the governors, in their capacity as company directors, on 10 May 2017 and signed on their behalf by:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ORATORY SCHOOLS ASSOCIATION

We have audited the financial statements of The Oratory Schools Association for the year ended 31 August 2016 set out on pages 14 to 42. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF GOVERNORS AND AUDITOR

As explained more fully in the Governors' responsibilities statement, the governors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 August 2016 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Governors' report, incorporating the Group strategic report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ORATORY SCHOOLS ASSOCIATION

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES

1.1 Assets not recognised in the annual accounts

The Oratory Schools Association owns a number of paintings and statues which it has acquired over the years. No valuation of these items has been undertaken and the charity does not believe that the valuation of these assets would be appropriate expenditure of charitable funds as they have no intention of disposing of them. Accordingly, and as permitted by the Charities SORP (FRS 102), such assets are not recognised on the balance sheet.

1.2 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Statement of financial activities (SOFA) and balance sheet consolidate the financial statements of the company and its subsidiary undertakings. The results of the subsidiaries are consolidated on a line by line basis.

No separate SOFA has been presented for the company alone as permitted by section 408 of the Companies Act 2006.

1.3 Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the governors have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP (FRS 102) the restatement of comparative items was required.

Information on the impact of first-time adoption of FRS 102 and the Charities SORP (FRS 102) is given in note 31.

1.4 Company status

The company is a company limited by guarantee. The members of the company are the governors named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

1.5 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the governors in furtherance of the general objectives of the company and which have not been designated for other purposes.

1. ACCOUNTING POLICIES (continued)

1.6 Income

Fees receivable and charges for services and use of premises are accounted for in the period in which the service is provided. Any amounts received for services not yet provided are included in creditors as fees received in advance. Fees receivable are stated before deducting bursaries, scholarships and other allowances. These are included in fees receivable at the amount of the bursary/scholarship awarded.

Donations received for the general purposes of the charity are included as unrestricted funds.

1.7 Expenditure

Expenditure is allocated to expense headings on a direct cost basis or apportioned according to time spent or other relevant basis. The irrecoverable element of VAT is included with the item of expense to which it relates.

Support costs have not been allocated to the separate expenditure headings of teaching costs, welfare and premises as the main activity is the provision of education and any allocation would not make more meaningful presentation.

1.8 Grants payable

No grants are made except for scholarships and bursaries.

1.9 Pension schemes

The Association contributes to the Teachers' Superannuation Scheme at rates set by the Scheme Actuary and advised to the Association by the Scheme Administrator.

The Association also operates a group personal pension defined benefit scheme. The defined benefit pension scheme was discontinued on 1 December 1999. This scheme is currently being run as a closed fund with benefits being paid as they fall due. Full details of the pension schemes are given in the notes to the financial statements.

1.10 Tangible fixed assets and depreciation

All assets costing more than £1,000 with an estimated life of 3 years or more are capitalised along with collections of smaller items if the listed value is significant.

The Oratory School is sited on the Woodcote Estate which is vested in Trustees for the benefit of and free use by The Oratory School. The Estate reverts to the Trustees if it ceases to be used as a school. Additions to school buildings on the Estate are capitalised as it is considered the Association has an equitable right to compensation for these additions if the Estate were to revert to the Trustees.

In addition to the capitalised fixed assets held for the charity's own use, The Oratory Schools Association also has a number of paintings and statues which span the history of the school and depict a number of its figureheads. No valuation of these has been made and accordingly these assets have not been capitalised in the financial statements

Freehold land and assets under construction are not depreciated.

1. ACCOUNTING POLICIES (continued)

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2% straight line
Motor vehicles / plant and equipment	-	10-33% straight line
Building improvements	-	10% straight line

1.11 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Net gains on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

1.12 Operating leases

Rentals under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.13 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

1.14 Advance fee payment scheme

The School operates an Advance Fee Payment Scheme. The Scheme is offered to assist parents who wish to make a once only capital payment to secure a termly remission of fees for a specified period.

The balance sheet liability represents the amount of the original capital payment, less amounts transferred to settle actual school fees. Transfers are made to fees each term at the rate applying when the capital payment was made.

1.15 Deposits received in advance

The School receives a deposit from each pupil when they join. These deposits are repayable on demand when the pupil leaves. However, as only a small proportion of pupils are expected to leave within 12 months the deposits received are treated as being due after one year.

1.16 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the bank.

1. ACCOUNTING POLICIES (continued)

1.17 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

1.18 Debtors

Trade and other debtors are recognised at the settlement amount after any discount offered. Prepayments are valued at the amount prepaid net of any discounts due.

1.19 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.20 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.21 Financial instruments

The charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like fees and other accounts receivable and payable.

2. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Tangible fixed assets (see note 17)
Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors.

Bad debts
Using information available at the balance sheet date, the charity makes judgements based on experience regarding the level of provision required to account for potentially uncollectible amounts.

Pensions (see note 28)
Various assumptions are made in reporting the performance of the charity's share of the pension scheme. A valuation is carried out for reporting purposes by a qualified independent actuary. The principal actuarial assumptions made are disclosed in note 28.

23. PRIOR YEAR ADJUSTMENT

A prior year adjustment has been made to correct the balance owed to a supplier in respect of building improvements work. The effect of this adjustment is to reduce both trade creditors and building improvements costs in the prior year by £288,633. There is no effect of this adjustment on either the statement of financial activities or total funds.

27. CONTINGENT LIABILITIES AND ASSETS

The school received a grant in 1999 from the Combined Cadet Force (CCF) towards the cost of certain property improvements.

As a condition of this grant, the CCF have free use of this facility. A further condition attached to this grant is that the CCF have a right to reclaim a portion of the grant if at any stage within 20 years, they cease to use the building for reasons outside their control.

At 31 August 2016 an amount of £66,000 would have been payable to the CCF if they had ceased to use this facility for reasons outside their control within 20 years of the issue of the grant.

28. PENSION SCHEMES

The company sponsors The Oratory Schools Association Retirement & Death Benefits Scheme, a defined benefit arrangement which closed to future accrual on 1 December 1999. A full actuarial valuation was carried out at 30 November 2014 and updated to 31 August 2016 by a qualified actuary, independent of the scheme's sponsoring employer. The major assumptions used by the actuary are shown below.

This most recent actuarial valuation showed a surplus of £18,000. The organisation has agreed with the Trustees that it will pay amounts equal to the levy payments required to be made to the Pension Protection Fund. Management and administration expenses are payable in addition as when they are due.

Principal actuarial assumptions at the balance sheet date:

	2016	2015

28. PENSION SCHEMES (continued)

The mortality assumption adopted at 31 August 2016 imply the following life expectancies:

Male retiring in 2016	23.0
Female retiring in 2016	25.4
Male retiring in 2036	24.9
Female retiring in 2036	27.3

The best estimate of contributions to be paid by the organisation to the scheme for the period commencing 1 September 2016 is £Nil.

28. PENSION SCHEMES (continued)

Teachers Superannuation Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%))
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The charity has accounted for its contributions to the scheme as if it were a defined contribution scheme. The charity has set out above the information available on the scheme.

The pension charge for the year includes contributions payable to the TPS of £582,155 (2015: £540,378).

29. OPERATING LEASE COMMITMENTS

30. RELATED PARTY TRANSACTIONS

The company is controlled by the Board of Governors.

On the basis that 100% of the company's voting rights are controlled within the group and consolidated financial statements in which the company is included have been made publicly available, the company has taken advantage of the exemption under the Charities SORP (FRS 102) not to disclose intra-group transactions.

31. FIRST TIME ADOPTION OF FRS 102 AND THE CHARITIES SORP (FRS 102)

It is the first year that the company has presented its financial statements under the Charities SORP (FRS 102) and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and the Charities SORP (FRS 102) was therefore 1 September 2014. As a consequence of adopting FRS 102 and the Charities SORP (FRS 102), a number of accounting policies have changed to comply with those standards.

Reconciliations and descriptions of the effect of the transition to FRS 102 and the Charities SORP (FRS 102) on total funds and net income/(expenditure) for the comparative period reported under previous UK GAAP are given below.
