**NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2014**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The company's turnover represents rental income during the year.

Depreciation

All freehold properties owned by the company consist of land only, and therefore the directors do not consider this a depreciable asset, but rather one that will increase in value. Therefore, no provision for depreciation is made for land.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Going concern

The directors believe that the company has sufficient trade and financial resources to continue in operational existence for the foreseeable future. Thus the going concern basis of accounting in preparing the annual financial statements has been adopted.
