THE REPORT OF THE DIRECTORS

YEAR ENDED 31 MARCH 2008

The Directors have pleasure in presenting their report and the Financial Statements of the Company for the year ended 31 March 2008.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the Company during the year is investment in listed securities.

Throughout the year the Company has pursued its traditional activities and there has been no significant change in the business, nor is any envisaged in the immediate future.

INVESTMENTS

In the light of the overall increase in the quoted price of the shares in Daejan Holdings PLC since acquisition, which comprise the Company's investments, the Directors have decided that they should continue to be included in the Financial Statements at a figure which more accurately reflects their current value.

Accordingly, at 31 March 2008, the holding is included at the then middle market price and the increase in value since acquisition has been transferred to Revaluation reserve.

RESULTS AND DIVIDENDS

The profit for the year, after taxation, amounted to £1,480,812. Particulars of dividends paid are detailed in note 7 to the Financial Statements.

DIRECTORS

The directors who served the Company during the year were as follows:

B S E Freshwater
L Stempel

The Articles of Association do not require Directors to retire by rotation.

The Directors do not have Service Contracts, nor do they receive any emoluments from the Company.

DIRECTORS' INTERESTS

The whole of the Issued Share Capital of the Company is owned by Norman Sinclair (Properties) Limited, a wholly-owned subsidiary undertaking of Highdorn Co. The Estate of another member of the Freshwater Family is beneficially interested in the remaining fifty shares. Mr L Stempel is also a director of Highdorn Co. Limited but has no interest in its Share Capital.

THE REPORT OF THE DIRECTORS *(continued)*
YEAR ENDED 31 MARCH 2008

RESPONSIBILITIES OF THE DIRECTORS

The Directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law the Directors have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The Financial Statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Directors are aware:

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2008

1. ACCOUNTING POLICIES

Basis of accounting

The Financial Statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets.

The company is dependent for its working capital on funds provided to it by Highdorn Co. Limited, the company's ultimate parent undertaking. Highdorn Co. Limited has provided the company with an undertaking that it will continue to provide such cash resources as are required by the company to enable it to meet its obligations as they fall due. On the basis of this undertaking, the financial statements are prepared on a going concern basis.

Cash flow statement

The company is exempt from the requirement to prepare a cash flow statement in accordance with Financial Reporting Standard No 1 (revised 1996) on the grounds that it is a wholly-owned subsidiary undertaking of an ultimate parent undertaking registered in England and Wales which prepares consolidated financial statements that include a consolidated cash flow statement.

Related parties transactions

The company has taken advantage of the exemption in FRS 8 Related Party Disclosures in order to dispense with the requirement to disclose transactions with other Highdorn Co. Limited group companies.

Income from fixed asset investments

Income from fixed asset investments represents dividends received during the year.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Taxation

(i) Current:

Provision is made for consideration payable to or receivable from other group companies for the surrender of losses under group relief provisions.

(ii) Deferred:

The Financial Statements have been prepared in accordance with Financial Reporting Standard 19 (FRS 19), which requires full provision in the accounts to be made for deferred tax on all timing differences with certain exceptions. In accordance with FRS 19, no provision is made for tax on unrealised revaluation surpluses in relation to Listed Investments.
