PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company is that of share investment which has remained unchanged during the year and no change is envisaged in the immediate future.

INVESTMENTS

In the light of the overall increase in the quoted price of the shares in Daejan Holdings PLC since acquisition, which comprise the company's investments, the directors have decided that they should continue to be included in the financial statements at a figure which more accurately reflects their current value.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited Financial Statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.
