LOOSE HALL FARM LIMITED

Notes to the Abbreviated Accounts for the Year Ended 31 March 2012

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax

Goodwill

SPS/SFP Entitlements, being the amount paid in connection with the acquisition of a business in 2012, is being amortised evenly over its estimated useful life of one years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Improvements to property	- 10% on cost
Plant and machinery	- at variable rates on reducing balance

The company has adopted the transitional provisions of FRS15 Tangible Fixed Assets where previous valuations have been retained and not updated. It is the company's policy not to continue to revalue fixed assets. The last revaluation was in 1987.

The directors consider that freehold properties are maintained in such a state of repair that their residual value is at least equal to their net book value. As a result, the corresponding depreciation would not be material and therefore is not charged in the profit and loss account.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Stocks have been professionally valued in accordance with the inland revenue business economic notes BEN19.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.
