NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2001

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold buildings	4% on cost
Plant and machinery	25% on written down value
Fixtures, fittings & equipment	10% on cost
Motor vehicles	25% on written down value

1.4 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with SSAP 24.

1.5 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

1.6 Leases

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rental payable under operating leases are charged against income on a straight line basis over the lease term.

Assets held for use in operating leases are included in fixed assets and being land no depreciation is charged. Rental income from operating leases is recognised on a straight line basis over the term of the lease.
