DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE YEAR 2000 ISSUE

Assuring the ongoing operation of the company's business and computer systems into the next millennium is a key focus of the directors. A comprehensive review of all systems is being carried out to ensure that:

- 1) all business and computer systems will correctly process future dates; and
- 2) our trading relationships with suppliers and customers will continue to operate without disruption

However nobody can be certain about the impact of Year 2000 compliance.

The total estimated costs of these reviews have not been quantified but are not expected to be material on the basis of replacement expenditure.

AUDITORS' REPORT TO THE SHAREHOLDERS OF W. JANET LIMITED

We have audited the financial statements on pages 4 to 7 which have been prepared under the historical cost convention and the accounting policies set out in note 1 to the financial statements.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND AUDITORS

As described in the Directors' Report the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 30th April 1999 and have been properly prepared in accordance with the Companies Act 1985 applicable to small companies.
