The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

1.2 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, exclusive of value added tax and trade discounts.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold buildings	-	1% reducing balance
Plant and machinery	-	20 - 25% reducing balance
Motor vehicles	-	20% straight line

1.4 Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.5 EU agricultural support schemes

Payments under EU crop schemes are recognised as income when the business has met all the criteria which entitle it to the payments, with the exception of the Arable Area Payments Scheme. Payments under this scheme, including the related set aside payments, are regarded as being an addition to crop proceeds and as such, they are recognised as income arising at the time of sale of the appropriate crop.
