# Notes to the abbreviated accounts
# For the year ended 31 March 2016

## 1. Accounting policies

### 1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

### 1.2 Cash flow

The financial statements do not include a Cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective January 2015).

### 1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

### 1.4 Investments

Investments held as fixed assets are shown at cost less provision for impairment.

### 1.5 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

### 1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

### 1.7 EU agricultural support schemes

Payments received under EU agricultural support schemes are recognised as income when the business has met all criteria which entitle it to the payments.

Amounts received under the Single Payment scheme are recognised on 31 December in the year of claim.

No provision has been made for penalties arising from the failure to comply with 'cross compliance' conditions, as defined by the RPA, except for where notification had been received.
