Report of the Auditors to Walkers International Movers Limited Under Section 247B of the Companies Act 1985

We have examined the abbreviated financial statements on pages three to five, together with the full financial statements of the company for the year ended 29 February 2000 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

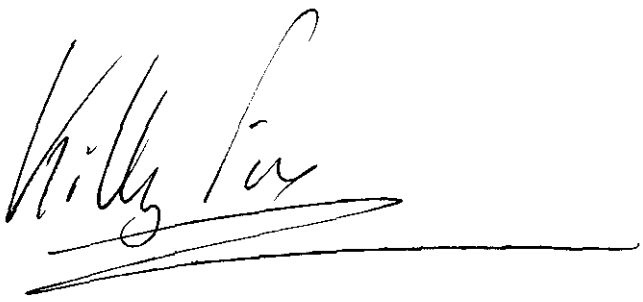

The directors are responsible for preparing the abbreviated financial statements in accordance with Section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Act to the Registrar of Companies and whether the financial statements to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Companies Act 1985, and the abbreviated financial statements on pages three to five are properly prepared in accordance with those provisions.

The notes form part of these financial statements

Notes to the Abbreviated Financial Statements for the Year Ended 29 February 2000

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover
Turnover represents net invoiced sales of goods, excluding value added tax.

Land and Biuldings
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Land and buildings	- not provided and over the period of the lease
Plant and machinery etc	- 50% on cost, at varying rates on cost and straight line over 6 years

The directors consider that freehold properties are maintained in such a state of repair that their residual value is at least equal to their net book value. As a result, the corresponding depreciation would not be material and therefore is not charged in the profit and loss account. The directors perform annual impairment reviews in accordance with the requirements of FRS 15 and FRS 11 to ensure that the recoverable amount is not lower than the carrying value.

Deferred taxation
Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Hire purchase and leasing commitments
Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Pensions
The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
