NOTES TO THE ACCOUNTS - 31 MARCH 2002

1 Accounting policies**Basis of Accounting**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Turnover

Turnover represents the net invoiced value of rental incor excluding Vat.

Tangible Fixed Assets

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life:

Land & buildings	-	0% wdv
------------------	---	--------

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred Taxation

Provision is made at current rates for taxation deferred in respect of all materials timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Leased Assets

Rentals applicable to operating leases, where substantially all of the benefits and risks of ownership remain with the lessor, are charged against profit as incurred.

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to profit and loss account over the period of the lease at a constant proportion of the outstanding balance of capital repayments.

Pension Costs

Contributions in respect of the company's defined contribution pension scheme are charged to the profit and loss account for the period in which they are payable to the scheme.
