ACCOUNTS' REPORT TO THE SHAREHOLDERS OF
CORINNE (INVESTMENTS) Ltd

We report on the accounts for the year ended 31 March 2000 set out on pages 3 to 7.

Respective responsibilities of directors and reporting account

As described on page 4 the company's directors are responsible for the preparation of the accounts, and they consider that the company is exempt from an audit. It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis of opinion

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants, and so our procedures consisted of comparing the accounts with the accounting kept by the company, and making such limited enquiries of the officers of the company as we considered necessary for the purposes of this report. These procedures provide only the assurance expressed in our opinion.

Opinion

In our opinion:

- (a) the accounts are in agreement with the accounting records kept by the company under s221 of the Companies Act 1985:
- (b) having regard only to, and on the basis of, the information contained in those accounting records:
 - (i) the accounts have been drawn up in a manner consistent with the accounting requirements specified in s249C(6) of the Act; and
 - (ii) the company satisfied the conditions for exemption from an audit of the accounts for the year specified in s249A(4) of the Act and did not, at any time within the year, fall within any of the categories of companies not entitled to the exemption specified in s249B(1).

The financial statements were approved by the Board of Directors on 5 June 2000.

For the year in question, the company was entitled to exemption from an audit under s249A(2) of the Companies Act 1985. No notice has been deposited under s249B(2) of the Act in relation to the accounts for the financial year. The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with s221 of the Companies Act 1985; and
- (b) preparing accounts which give a true and fair view of the state of affairs of the company, as at the end of the financial year, and of its profit or loss for the financial year in accordance with the requirements of s226 of the Companies Act 1985, and which otherwise comply with the requirements of that Act relating to the accounts, so far as applicable to the company.

Advantage has been taken of the exemption conferred by section A of Part III of Schedule 8 of the Companies Act 1985, on the grounds that, in the directors' opinion, the company qualifies as a small company under s246 and s247 of the Companies Act 1985.

Advantage has been taken, in the preparation of the accounts, of special exemptions applicable to small companies on the grounds that, in the directors' opinion, the company qualifies as a small company under s246 and s247 of the Companies Act 1985.

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2000

(1) Accounting policies

The financial statements have been prepared under the historical cost convention in accordance with normal fundamental accounting concepts, and comply with all applicable accounting standards.

Turnover

Turnover is the amount receivable for rents and dividends that become due during the year.

Depreciation

The company's freehold properties have not been depreciated as their values are continually increasing.

Taxation

The charge for taxation is based on the profit for the year as adjusted for disallowable items. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is probable that a liability or asset will crystallise. Timing differences arise from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in the accounts. Provision is made at the rate which is expected to be applied when the liability or asset is expected to crystallise.
