BLUSTON SECURITIES LIMITED

DIRECTORS' REPORT

The directors present their report and the accounts for the year ended 31 March 2008

Activities

The principal activity of the company continues to be property investment and management

Results for the year

The profit for the year after taxation was £780,294 (2007 £814,958)

Directors

The directors of the company at 31 March 2008, all of whom served throughout the year, were

M D Paisner
R Glatter

Disclosure of information to the auditors

In the case of each person who was a director at the time this report was approved

- so far as that director was aware there was no relevant available information of which the company's auditors were unaware, and
- that director had taken all steps that the director ought to have taken as a director to make himself or herself aware of any relevant audit information and to establish that the company's auditors were aware of that information

This confirmation is given and should be interpreted in accordance with the provision of s234ZA of the Companies Act 1985

Auditors

A resolution to re-appoint the auditors, Nexia Smith & Williamson, will be proposed at the next Annual General Meeting.

This directors' report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

Approved by the board of directors and signed on behalf of the board

R Glatter
Director

BLUSTON SECURITIES LIMITED

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit of the company for that period. In preparing those accounts, the directors are required to

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Nexia Smith & Williamson

Independent auditors' report to the shareholders of Bluston Securities Limited

We have audited the accounts of Bluston Securities Limited for the year ended 31 March 2008 which comprise the Profit and Loss Account, the Balance Sheet, and the related notes 1 to 19. These accounts have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We read the information contained within the Directors' Report and consider whether it is consistent with the audited accounts. Our responsibilities do not extend to any other information.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We state in our report whether in our opinion the information given in the Directors' Report is consistent with the accounts. We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if the information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatement within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Qualified opinion arising from disagreement about accounting treatment

Freehold and long leasehold properties owned by the company for investment purposes are included in the accounts at historical cost less amortisation of £426,563 and £1,390,599 respectively. The historical cost basis is not in accordance with Statement of Standard Accounting Practice No 19 *Accounting for investment properties* which requires investment properties to be included at open market value at the balance sheet date. We are unable to quantify the financial effect of this departure, which would have a significant impact on the value of investment properties and revaluation reserves in the balance sheet.

Nexia Smith & Williamson

Independent auditors' report to the shareholders of Bluston Securities Limited (continued)

Opinion

Except for the inclusion of investment properties at cost, in our opinion

- the accounts give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 31 March 2008 and of its profit for the year then ended, and
- the accounts have been properly prepared in accordance with the Companies Act 1985

In our opinion the information given in the Directors' Report is consistent with the accounts

In our opinion the matter in respect of which our report was qualified is not material for determining by reference to these accounts whether distributions are permitted under Section 263 of the Companies Act 1985

BLUSTON SECURITIES LIMITED

NOTES TO THE ACCOUNTS for the year ended 31 MARCH 2008

1 Accounting policies

The accounts have been prepared in accordance with United Kingdom Generally Accepted Accounting Practice. A summary of the more important accounting policies adopted are described below.

Basis of accounting

The accounts have been prepared under the historical cost convention.

Fixed assets

The investment properties, which comprise freehold and long leasehold properties, are included in the balance sheet at cost less lease amortisation, and not at their open market value as required by Statement of Standard Accounting Practice No. 19 (SSAP 19) because the directors believe that the costs of such a valuation would outweigh any benefits which might be received by the shareholders.

No depreciation has been provided in respect of the freehold investment properties. Amortisation is provided in respect of leasehold properties. Although this is in accordance with SSAP 19 it represents a departure from the Companies Act 1985 which requires the systematic annual depreciation of fixed assets. The directors believe that it is inappropriate to charge depreciation because the properties are held for their investment potential.

Deferred taxation

Deferred tax is provided for on a full provision basis on all timing differences which have arisen but not reversed at the balance sheet date. A deferred tax asset is not recognised to the extent that the transfer of economic benefit in future is uncertain. Any assets and liabilities recognised have not been discounted.

2 Turnover

Turnover represents the amounts receivable for rental income, goods and services, net of VAT.

All turnover arises from rental income in the United Kingdom as set out below.

	2008	2007
	£	£
Gross rental income	1,288,859	1,194,775
Net property outgoings	(381,518)	(413,412)
	907,341	781,363
