LAND DEVELOPERS (LINCS.) LIMITED

ACCOUNTING POLICIES

FOR THE YEAR ENDED

31 AUGUST, 2002.

a) BASIS OF ACCOUNTING

The accounts have been prepared under the historical cost convention.

b) TURNOVER

Turnover represents administration fees received from members and is exclusive of VAT.

From time to time turnover may also include sundry receipts such as the sale of small plots of land from finished estates which were historically worthless due to third party access requirements at the time of development.

c) CASH FLOW

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 'Cash Flow Statements'.

d) DEPRECIATION

The cost of assets purchased are written off on a straight line basis at varying rates of depreciation depending on their individual useful economic lives.

e) DEFERRED TAXATION

Provision is made at appropriate rates for taxation deferred in respect of all material timing differences only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

1. NATURE OF THE BUSINESS

Land Developers (Lincs.) Limited is a non-profit making organisation whose members consist of a consortium of builders.

At the request of its members, the company arranges the acquisition of land on their behalf, administers the development of roads and joint services and arranges the final redistribution of the developed land back to its members. Costs are funded by members' contributions.

At the outset of each development, participating members concerned enter into a land purchase agreement with the company under which each party is mutually obliged to eventually transfer the title in the land to the participating member.

The company does not allow non-members to participate.

It follows, therefore, that all participants of an estate development are members of the company. Movements on the individual estates during the year are shown in Note 5 to the accounts.

As the company purchases land or contracts for services, calls for contributions are made upon the participating members.

Payments to members for work done in the year were as follows:-

Dixon and Son Ltd.	4,153
John Collis Builders Ltd.	21,305
Bilbe and Gray	2,473
A. R. H. and A. Tucker and Son Ltd.	7,968
Payments to members totalling less than £1,000 each	<u>1,850</u>
	<u><u>£37,749</u></u>

All of the work was carried out under normal commercial terms.

Turnover

The principal activity of the company is the administration of the land transactions. The costs of this administration are largely covered by charges to members at the rate of £1,000 per member per year, (2001 - £1,000).

Administration

The secretary, N. D. Bratton, is also a director of James Bratton and Co. Limited who provide management services to the company. The charge for such services during the year amounted to £12,000 (2001 - £12,000).
