This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

We read the Report of the Directors and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Depreciation

Freehold land is not depreciated.

No provision has been made for depreciation of the company's clubhouse, equipment and fittings. This policy is not in accordance with Schedule 4 to the Companies Act 1985 and does not comply with the requirements of the Financial Reporting Standard for Smaller Entities (effective June 2002). The directors are of the opinion that, as the Clubhouse, equipment and fittings are regularly maintained, it would be inappropriate to provide for depreciation. The directors are of the opinion that it is impracticable to quantify the depreciation that would otherwise have been charged.

The company was dormant throughout the current and previous year.
