ABBREVIATED BALANCE SHEET  
(continued)

at 31st March 1996

The directors consider that for the year ended 31st March 1996 the company was entitled to exemption under subsection 1 of section 249A of the Companies Act 1985. No member or members have deposited a notice requesting an audit for the current financial year under subsection 2 of section 249B of the Act.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

The directors have taken advantage of the exemptions conferred by Section A of Part III of Schedule 8 to the Companies Act 1985 on the grounds that, in their opinion, the company qualifies as a small company.

## NOTES ON ABBREVIATED FINANCIAL STATEMENTS

31st March 1996

## 1 Accounting policies

## Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The company has taken advantage of the exemption from preparing a cash flow statement conferred by Financial Reporting Standard No. 1 on the grounds that it is entitled to the exemptions available in Section 246 to 247 of the Companies Act 1985 for small companies.

## Depreciation

Depreciation is not provided on freehold property as the tenants, and/or the Directors personally follow a regular programme of refurbishment, maintenance and improvement. This includes, where necessary, the reinstatement of the fabric of the buildings in order to prolong their useful lives without determinable limit. Accordingly in the opinion of the Directors, any element of depreciation would be immaterial. For all other fixed assets, depreciation is provided to write off the cost over their estimated useful lives as follows:

Motor vehicles 25% on written down value

## Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability.
