1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention as modified by the revaluation of the freehold and leasehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

Leasehold Property	- 2.5% reducing balance
Plant & machinery	- 10-28% reducing balance / 2.5% straight line

The land and buildings under the course of construction are being carried at valuation at November 2008 plus later additions, while the company plant and machinery is being carried at depreciated historical cost

The buildings included within freehold property have not been depreciated as the directors consider any depreciation charge to be immaterial. The assets under the course of construction are also not depreciated
