NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2002

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and rental income from the ground floor of one of the freehold premises.

1.3 Tangible fixed assets and depreciation

Land and buildings Freehold	0%
Fixtures, fittings & equipment	25% on a reducing balance
Motor vehicles	25% on a reducing balance

In accordance with SSAP 19 no depreciation is provided in respect of the freehold properties. This represents a departure from the Companies Act 1985 requirements concerning the depreciation of fixed assets. The directors consider that the adoption of this policy is necessary to give a true and fair view as the buildings are maintained to a high standard and the value included in the accounts is considered to be at far less than market value.

1.4 Stock

Stock is valued at the lower of cost and net realisable value.

1.5 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

2 Fixed assets
