Notes to the Financial Statements for the year ended 31 March 2015

1 Accounting Policies

Accounting Convention:

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards.

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents the gross invoiced sale of goods.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its useful life:

Land and Buildings – not provided
Fixtures and Fittings – 25%

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing difference to the extent that, in the opinion of the directors, there is reasonable probity that the liability will not arise in the foreseeable future.

2 Turnover

The turnover and excess(deficit) of income over expenditure are attributable to the one principal activity of the company.
