NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2010

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Preparation of consolidated financial statements

The financial statements contain information about Skar Precision Mouldings Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements

Turnover

Turnover represents the sales of goods and services, is recognised on dispatch of the goods or provision of the service and excludes value added tax

Goodwill

Purchased goodwill represents the capitalisation of excess consideration paid for the acquisition of the assets of an undertaking over the fair value of these assets. Goodwill is amortised at a rate calculated to write off the cost over the estimated useful life of the assets acquired

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Plant and machinery etc - 25% on reducing balance and 20% on reducing balance

No depreciation is charged on freehold land and buildings. Where buildings are maintained to such a standard that their residual value is not less than their cost or valuation, no depreciation is charged as it is not material. The directors perform annual impairment reviews to ensure that the recoverable amount is not less than the book value

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease
