GHYLL ROYD (HOLDINGS) LIMITED**AUDITORS' REPORT**

**to Ghyll Royd (Holdings) Limited
under Section 247B of the Companies Act 1985**

We have examined the abbreviated accounts set out on pages 2 to 5, together with the financial statements of the company for the year ended 31 July 2000 prepared under section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246 (5) and (6) of the Act to the registrar of companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246 (5) and (6) of the Companies Act 1985, and the abbreviated accounts on pages 2 to 5 are properly prepared in accordance with those provisions.

GHYLL ROYD (HOLDINGS) LIMITED**ACCOUNTING POLICIES****Accounting convention**

The financial statements are prepared under the historical cost convention.

Turnover

Turnover comprises the invoiced value of property sold, work done and services provided adjusted for movements in work in progress.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided in equal annual instalments in order to write off the cost of fixed assets over their anticipated useful lives. The rates of depreciation are as follows:

Plant and machinery - 25% per annum
Furniture and fittings - 20% per annum
Motor vehicles - 20% or 25% per annum

Stock and work in progress

Stock and work in progress are stated at the lower of cost and net realisable value.

Cost comprises:

Work in progress	- Raw materials, direct labour and attributable overheads
Building land and development and dealing properties	- Purchase price

Deferred taxation

Provision is made for deferred taxation in respect of timing differences between the treatment of items for accounting and taxation purposes, but only to the extent that the tax is likely to become payable in the foreseeable future.
