FOR THE YEAR ENDED 31 OCTOBER 2012**

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Freehold property	Not provided
Computer equipment	25 % on reducing balance
Fixtures and fittings	20 % on reducing balance
Motor vehicles	25 % on reducing balance

Freehold property is maintained to ensure that its value does not diminish over time. The maintenance costs are charged to the profit and loss account as they are incurred. In the opinion of the directors, depreciation would be immaterial and therefore Freehold property is not depreciated.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Going concern

The directors believe that the company has sufficient trade and financial resources to continue in operational existence for the foreseeable future. Thus the going concern basis of accounting in preparing the annual financial statements has been adopted.
