AUDITORS' REPORT TO SELCRAFT ENGINEERING LIMITED PURSUANT TO SECTION 247B OF THE COMPANIES ACT 1985

We have examined the abbreviated accounts on pages 2 to 5 together with the financial statements of Selcraft Engineering Limited prepared under section 226 of the Companies Act 1985 for the year ended 30 November 1999.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with sections 246(5) and (6) of the Companies Act 1985. It is our responsibility to form an independent opinion as to the company's entitlement to deliver abbreviated accounts prepared in accordance with those sections and whether the abbreviated accounts have been properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the audited financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts have been properly prepared from those financial statements. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled under sections 247 and 247A of the Companies Act 1985 to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Companies Act 1985, in respect of the year ended 30 November 1999, and the abbreviated accounts on pages 2 to 5 have been properly prepared in accordance with those provisions.

Signed on behalf of the Board of Directors

C A Huxley  Director
20 April 2000.

SELCRAFT ENGINEERING LIMITED**NOTES TO THE BALANCE SHEET
30 November 1999****1 ACCOUNTING POLICIES**

The financial statements are prepared in accordance with applicable accounting standards. The particular accounting policies adopted are described below.

Accounting convention

The financial statements are prepared under the historical cost convention.

Tangible fixed assets and depreciation

Depreciation is calculated to write down the cost of tangible fixed assets to their estimated residual values over the period of their estimated useful economic lives at the following rates:

Computer	20% on cost
Plant and machinery	10% on cost
Motor vehicles	25% reducing balance
Fixtures and fittings	10% on cost
Expenditure on leasehold premises	4% on cost

Stock and work in progress

Stock and work in progress consists of raw materials and bought-out parts, manufactured components and assemblies. Raw materials and bought-out parts are valued at their purchase price. Manufactured components and assemblies are valued at the direct cost of raw materials and bought-out parts plus labour and overheads directly attributable to their manufacture. As in previous years, where the net realisable value of items of stock is less than cost, the net realisable value has been adopted.

Deferred taxation

Deferred taxation is provided on timing differences, arising from the different treatment of items for accounts and taxation purposes, which are expected to reverse in the future, calculated at rates at which it is estimated that tax will arise.

NOTES TO THE BALANCE SHEET
30 November 1999

1 ACCOUNTING POLICIES (continued)

Leased assets

Fixed assets leased under finance leases or purchased under hire purchase agreements are capitalised and depreciated over their expected useful lives. The finance charges are allocated over the primary period of the lease of contract on a straight line basis.

The costs of operating leases are charged to the profit and loss account as they accrue.

Pension costs

The company operates defined contribution pension schemes covering the directors and certain employee's. The pension cost is the amount of contributions paid in respect of the year.
