NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2006

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows

Plant and machinery	25% straight line
Fixtures, fittings & equipment	10% straight line

Investment properties are included in the balance sheet at their open market value as estimated by the directors. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years

This accounting policy is a departure from the general requirement of the Companies Act 1985 for all tangible assets to be depreciated. In the opinion of the directors the treatment adopted is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified
