NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2005

1 ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF ACCOUNTS

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standards for smaller entities (effective June 2002).

1.2 CASH FLOW

The company has taken advantage of the exemption in FRS 1 from the requirement to prepare a cash flow statement on the grounds that it is a small company.

1.3 TANGIBLE FIXED ASSETS AND DEPRECIATION

In the opinion of the directors' market value of investment freehold property is not less than the cost value. No depreciation is charged thereon. In the opinion of the directors it is necessary to adopt this accounting policy for the accounts to show a true and fair view. It is not practical to quantify the depreciation which would otherwise have been charged.

1.4 DEFERRED TAXATION

Deferred is made for taxation deferred on the incremental liability approach in respect of all timing differences between the incidence of income and expenditure for taxation and accounts purposes that have originated but not reversed at the balance sheet date. Provision is made for future taxation on gains on revalued assets only where a binding commitment to dispose of the asset exist at the year end.
