STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- * select suitable accounting policies and then apply them consistently;

ACCOUNTANTS REPORT TO THE MEMBERS OF
WEST WIGHT SWIMMING POOL TRUST LIMITED

We have examined, without carrying out an audit, the financial statements for the year ended 31st March 1997 set out on pages 5 to 10, which have been prepared under the accounting policies set out on page 9.

Respective responsibilities of directors and reporting accountant.

As described on page 2 the company's directors are responsible for the preparation of the financial statements, and they believe that the company is exempt from an audit. It is our responsibility to examine the financial statements and based on our examination, to report our opinion, as set out below, to the members.

Basis of opinion

We conducted our examination in accordance with the appropriate standards for reporting accountants issued by the Auditing Practices Board. This examination consisted of comparing the financial statements with the accounting records kept by the company, and making such limited enquiries of the company's officers as we considered necessary for the purposes of this report.

The examination was not an audit conducted in accordance with Auditing Standards. Accordingly, we do not express an audit opinion on the accounts. Therefore our examination does not provide any assurance that the accounting records and the financial statements are free from material misstatement.

Opinion

In our opinion:

- a) the financial statements are in agreement with those accounting records kept by the company under Section 221 of the Companies Act 1985;-
- b) having regard only to, and on the basis of, the information contained in those accounting records;
 - (i) the financial statements have been drawn up in a manner consistent with the accounting requirements specified in Section 249C(6) of the Act, so far as applicable to the company and;
 - (ii) the company satisfied the conditions for from an audit of the financial statements for the year specified in Section 249A(4) of the Act as modified by Section 249(5) and did not, at any time within that year, fall within any of the categories of companies not entitled to the exemption specified in Section 249B(1).

NOTES ON THE ACCOUNTS
FOR THE YEAR ENDED 31ST MARCH 1997

1. ACCOUNTING POLICIES

Accounting convention

The accounts are prepared under the historical cost convention.

Depreciation of Fixed Assets

No depreciation is provided on leasehold property as it is the opinion of the members that as the properties are well maintained and have a long useful life, the amount of any such depreciation would be insignificant.

Depreciation is provided on all other tangible assets on a reducing balance basis calculated to write-off those assets over their estimated useful lives, less estimated residual value, at the following rate:-

Fixtures and equipment	- 15% and 25% reducing balance
Motor Vehicles	- 25% straightline

Stocks

Stock is valued at the lower of cost and net realisable value.

Cashflow statements

The company has taken advantage of the exemption in FRS 1 from producing a cashflow statement on the grounds that it is a small company.

Repairs Contingency Fund

The repairs contingency fund represents a reserve for the refurbishment and renewal of equipment which is reaching the end of its operational life.

2. TURNOVER

Turnover represents the value of takings and amounts invoiced, excluding value added tax, in respect of entrance monies and services rendered during the year.
