NOTES TO THE ABBREVIATED ACCOUNTS

Year ended 31 January 2000

1 Accounting policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the company's financial statements.

Accounting convention

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold property and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover

Turnover represents the amounts derived from the supply of goods and services which fall within the company's activities, and is stated net of value added tax.

Depreciation

Depreciation is provided on all tangible fixed assets, other than freehold land, at the following annual rates to write off the cost or valuation, less estimated residual value, of each asset over its expected useful life as follows:

Land and buildings Freehold	2 % per annum on straight line basis
Fixtures, fittings & equipment	10 % per annum on reducing balance basis
Motor vehicles	20 % - 25% per annum on straight line basis

Stocks

Stocks are stated at the lower of cost and net realisable value.

In respect of machinery and tractors cost is defined as purchase price and net realisable value is based on estimated selling price less costs expected to be incurred on disposal. In respect of parts cost is defined as purchase price on a first in, first out basis and net realisable value is achieved by application of a provision based on the age and expected utilisation of the parts.

Pensions

Contributions in respect of the company's defined contribution scheme are charged to profit and loss account for the year in which they are payable to the scheme.

Deferred taxation

A deferred taxation provision is calculated on the liability method on all timing differences which the directors expect to reverse in the foreseeable future, calculated at the rate at which it is estimated tax will become payable.

Leased assets

Assets acquired under finance leases and hire purchase contracts which give rights approximating to ownership have been capitalised at amounts equal to the original cost of the assets and depreciation has been provided on the basis of the company's depreciation policy. The capital elements of future obligations are included as liabilities in the balance sheet and the current year's interest element is charged to the profit and loss account.
