The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 31 January 2002.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 January 2002 in accordance with Section 249B(2) of the Companies Act 1985.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

The notes form part of these financial statements

COLPLAN ENGINEERING LIMITED

ABBREVIATED BALANCE SHEET
31 JANUARY 2002

These abbreviated financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

ON BEHALF OF THE BOARD:

A handwritten signature in dark ink, appearing to read 'A. Johnson', is written over the printed name and title.

A Johnson / DIRECTOR

Approved by the Board on 23 August 2002

The notes form part of these financial statements

COLPLAN ENGINEERING LIMITED

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 JANUARY 2002

I. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on the going concern basis. At the balance sheet date the company had net liabilities of £111,930 and is dependant on the support of its bankers, pension fund which is owed £69,196 and the directors who are owed £46,935. The directors have indicated that they will not seek full repayment of the amount due within the next twelve months.

The directors have taken positive steps to expand the range of products/services the company and its associated company, Colplan Limited, offers and this is expected to continue to grow in the current financial year. The directors consider that they have obtained the capital necessary to finance the company for the next year. Since the year end the company has traded profitably.

The directors consider that the changes implimented will continue to have a positive impact on profitability for the remainder of the current financial year.

Therefore, the directors consider it appropriate to prepare the financial statements on a going concern basis. As such, the financial statements do not include any adjustments that would be necessary should the support of the bank, pension fund and directors be withdrawn.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover

Turnover represents the invoiced value of goods and services sold together with sales commissions earned, less returns and allowances, excluding value added tax. Commissions are accounted for on an invoice basis.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Plant and machinery	- 15% on reducing balance
Fixtures and fittings	- 20% on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost represents actual purchase price and includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

COLPLAN ENGINEERING LIMITED

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JANUARY 2002

1. ACCOUNTING POLICIES - continued

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account as incurred.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.

2. TANGIBLE FIXED ASSETS

	Total
	£
COST:	
At 1 February 2001	257,133
Additions	26,995
Disposals	(65,930)
At 31 January 2002	<u>218,198</u>
DEPRECIATION:	
At 1 February 2001	126,282
Charge for year	26,219
Eliminated on disposals	(43,129)
At 31 January 2002	<u>109,372</u>
NET BOOK VALUE:	
At 31 January 2002	<u>108,826</u>
At 31 January 2001	<u>130,851</u>

3. CREDITORS

The following secured debts are included within creditors:

	31.1.02	31.1.01
	£	£
Bank overdrafts	188,874	136,274
Hire purchase contracts	46,110	58,306
	<u>234,984</u>	<u>194,580</u>

			£	£
100	Ordinary	£1	<u>100</u>	<u>100</u>

5. TRANSACTIONS WITH DIRECTORS

The company owns digital printing equipment which was used during the year by Colplan Limited, a company in which the directors of this company are materially interested as both directors and shareholders. No charge has been made in respect of the above.

1. <u>Definition</u> of a <u>group</u>: A set G with a binary operation $\cdot$ is called a <u>group</u> if the following conditions are satisfied: $\cdot$ is <u>associative</u>: $(a \cdot b) \cdot c = a \cdot (b \cdot c)$ $\cdot$ has a <u>neutral element</u> e: $e \cdot a = a \cdot e = a$ $\cdot$ has <u>inverse elements</u>: for every $a \in G$ there exists $a^{-1} \in G$ such that $a \cdot a^{-1} = a^{-1} \cdot a = e$	2. <u>Properties</u> of groups: If G is a group, then: e is <u>unique</u>: there is only one neutral element. a^{-1} is <u>unique</u>: for every a, there is only one inverse element. $(a^{-1})^{-1} = a$: the inverse of the inverse is the element itself. $(a \cdot b)^{-1} = b^{-1} \cdot a^{-1}$: the inverse of a product is the product of the inverses in reverse order.
3. <u>Examples</u> of groups: $(\mathbb{Z}, +)$: the integers with addition. $(\mathbb{Z}_n, +)$: the integers modulo n with addition. $(\mathbb{Z}_n, \cdot)$: the integers modulo n with multiplication (only for n prime). $(\mathbb{R}, +)$: the real numbers with addition. $(\mathbb{R}^n, +)$: the n-dimensional real vectors with addition. $(\mathbb{R}^n, \cdot)$: the n-dimensional real vectors with multiplication (only for $n=1$).	4. <u>Homomorphisms</u> and <u>isomorphisms</u>: A map $\phi: G \rightarrow H$ between two groups G and H is called a <u>homomorphism</u> if it satisfies: $\phi(a \cdot b) = \phi(a) \cdot \phi(b)$ If ϕ is also <u>bijective</u> (one-to-one and onto), it is called an <u>isomorphism</u>. In this case, G and H are <u>isomorphic</u> groups.
