Select suitable accounting policies and then apply them consistently;

page 2

We have audited the accounts on pages 3 to 5 which have been prepared in accordance with the Financial Reporting Standard for Smaller Entities, under the historical cost convention as modified by the revaluation of certain fixed assets and on the basis of the accounting policies set out on page 5.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described on page 1 the company's directors are responsible for the preparation of the accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

OPINION

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 31st January 2001 and of its surplus for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.
