ABBREVIATED BALANCE SHEET

(continued)

at 30 April 2001

The directors consider that for the year ended 30 April 2001 the company was entitled to exemption under subsection 1 of section 249A of the Companies Act 1985. No member or members have deposited a notice requesting an audit for the current financial year under subsection 2 of section 249B of the Act.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The abbreviated financial statements on pages 1 and 2 were approved by the board of directors on 20 September 2001 and signed on its behalf by:

K R Tait
Director

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost accounting rules and include the results of the company's operations which are described in the Directors Report and are continuing. The company has taken advantage of the exemption from preparing a cash flow statement as conferred by Financial Reporting Standard No. 1 (Revised 1996) on the grounds that it qualifies as a small company under the Companies Act 1985.

Turnover

Turnover represents the amount derived from the provision of goods and services falling within the company's activities after deduction of trade discounts and value added tax.

Depreciation

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Plant and machinery	10% on a diminishing balance basis
Motor vehicles	25% on a diminishing balance basis
Equipment - customers	10% on a diminishing balance basis
Patents and licences	Nil

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in last out basis.

Deferred taxation

Deferred taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future.
