Notes to the Accounts
Year Ended 24 March 2000

1. Statement of Directors' Responsibilities

Company law requires the Directors to prepare financial statements for each year, which give a true and fair view of the state of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2. Accounting Policies

Accounting Convention
The financial statements are prepared under the historic cost convention on a going concern basis.

Depreciation
Depreciation is provided on all tangible assets at rates calculated to write off the cost of each asset over its expected useful life as follows:

- Equipment at 25% per annum.

3. Turnover

Turnover represents service charges and transfer fees receivable from members.

4. Operating Profit
