Belimo Automation UK Limited

Reporting by Directors

31 December 2016

The Directors present their annual report and the audited financial statements for the year ended 31 December 2016.

PRINCIPAL ACTIVITIES

The principal activity of the Company during the year under review was the implementation of electrical components for use in the heating and ventilation industry.

RESULTS

The profit for the year after taxation amounted to £370,410 (2015: £313,975).

PROPOSED DIVIDEND

The Directors expect to propose a final ordinary dividend in respect of the current financial year of £340,000 (2015: £300,000). This has not been included within creditors as it was not approved before the year end.

Dividends paid during the year were a final dividend of £300,000 in respect of the previous year ended 31 December 2015.

DIRECTORS AND DIRECTORS' INTERESTS

The Directors who held office during the year were as follows:

BC Trutmann
AJ Bartlett

POLITICAL AND CHARITABLE CONTRIBUTIONS

During the year under review the Company made no political contributions. Donations to UK charities amounted to £736 (2015: £448).

STATEMENT OF DIRECTORS RESPONSIBILITIES

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare the financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards as adopted by the EU. Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;

Belimo Automation UK Limited

Reporting by Directors

31 December 2016

STATEMENT OF DIRECTORS RESPONSIBILITIES continued...

- make judgements and estimates that are reasonable and prudent;
- state whether applicable IFRSs as adopted by the EU have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITOR

Each of the persons who are Directors at the time when this Directors' report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- that the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any information needed by the Company's auditor in connection with preparing its report and to establish that the Company's auditor is aware of that information.

AUDITOR

Under section 487 of the Companies Act 2006, Hillier Hopkins LLP will be deemed to have been reappointed as auditor 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing the accounts with the registrar, whichever is earlier.

This report was approved by the board on 15/3/2017 and signed on its behalf.

Belimo Automation UK Limited

Strategic Report

31 December 2016

BUSINESS REVIEW

A review of the operations of the company during the financial year and the results of those operations are the company's affairs at the balance sheet date to be satisfactory.

The parent company provides support and is also the major supplier to the company, limiting exposure to risks and uncertainties.

Performance factors such as Sales Revenue, Operating Expense, and Operating Income (EBIT) are provided and reviewed in a monthly report. All budgets and sales targets are agreed between the parent company and the company on an annual basis.

The company is well established and has been operating within its target market for over 30 years. Several large customers have been trading with the company over many years providing a platform for the business.

Our main business strength comes from the quality of our manufacturing. We offer a 5 year warranty on all our products which gives us a strong advantage over our competitors.

Award winning products and the on-going product developments by the parent company should lead to new opportunities in the future with existing and new customers.

2017 will see the launch of a new product line of Sensors, for Heating, Ventilation and Air Conditioning applications, to complement our existing actuators and valves.

Our market is driven by construction activity, along with the trend towards greater energy efficiency in commercial buildings. There is some uncertainty due to Brexit and the future effects this may have on the Construction Industry sector.

The likely developments in the operations of the company and the expected results of these operations in the financial years subsequent to the year ended 31 December 2017 are that the company will continue in its current activities for the foreseeable future.

PRINCIPAL RISKS AND UNCERTAINTIES

The principle risks and uncertainties are related to the performance of UK Construction Industry Commercial sector where our products are mainly used in Building Controls.

BUSINESS PERFORMANCE

Sales Growth increased by 15%

Air Products make up 67% of gross sales, with Water Products having seen an increase on prior year to 33%.

Sales in Ireland were up 234% on prior year.

Operating Income - £476K or 3.65% of sales

Net Income - £371K or 2.84% of sales

This report was approved by the board on 15/3/2017 and signed on its behalf.

AJ Bartlett
Director

Belimo Automation UK Limited

Report of Auditors

To the shareholder
Belimo Automation UK Limited

We have audited the Company financial statements (the "financial statements") of Belimo Automation UK Limited for the year ended 31 December 2016, set out on pages 6 to 21. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards as adopted by the EU.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITY OF DIRECTORS AND AUDITOR

As explained more fully in the Statement of Directors' responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with the relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with the International Financial Reporting Standards; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Belimo Automation UK Limited

Report of Auditors

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

The accompanying notes form part of the financial statements

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

1. ACCOUNTING POLICIES

i. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

Belimo Automation UK Limited (the "Company") is incorporated in the United Kingdom.

The Company financial statements have been prepared and approved by the Directors in accordance with International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs").

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

ii. MEASUREMENT CONVENTION

The financial statements are prepared on the historical cost basis. Non-current assets and disposal groups held for sale are stated at the lower of previous carrying amount and fair value less costs to sell.

iii. FOREIGN CURRENCY

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognised in the income statement. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are translated at foreign exchange rates ruling at the dates the fair value was determined.

iv. INTRA-GROUP FINANCIAL INSTRUMENTS

Intra-group financial instruments, such as guarantees received, are held at fair value as financial assets or liabilities, as appropriate. Changes in fair value are taken to the income statement.

v. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Depreciation is charged to the income statement on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. Land is not depreciated. The estimated useful lives are as follows:

•	Leasehold improvements	-	over the life of the lease
•	Plant and machinery	-	12.5 - 33% per annum
•	Fixtures, fittings and equipment	-	12.5 - 33% per annum
•	Motor vehicles	-	33% per annum

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

1. ACCOUNTING POLICIES continued

vi. TRADE AND OTHER RECEIVABLES

Trade and other receivables are stated at their nominal amount.

vii. INVENTORIES

Inventory is stated at the lower of cost and net realisable value. Cost is based on the weighted average principle and includes expenditure incurred in acquiring the inventories and bringing it to their existing location and condition.

viii. CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash on hand and call deposits, and other short term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

ix. IMPAIRMENT

The carrying amounts of the Company's assets other than inventories and deferred tax assets, are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset or its recoverable amount. Impairment losses are recognised in the income statement.

Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the assets in that unit on a pro rata basis. A cash generating unit is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

CALCULATION OF RECOVERABLE AMOUNT

The recoverable amount of other assets is the greater of their net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

x. INTEREST-BEARING BORROWINGS

Interest-bearing borrowings are initially recognised at fair value less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement.

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

1. ACCOUNTING POLICIES continued

xi. EMPLOYEE BENEFITS

Obligations for contributions to the defined contribution pension plan are recognised as an expense in the income statement as incurred.

xii. REVENUE

Revenue represents amounts received for goods and freight services net of VAT and discounts.

xiii. OPERATING LEASE PAYMENTS

Payments made under operating leases are recognised in the income statement on a straight-line basis over the term of the lease. Lease incentives are recognised in the income statement as an integral part of the total lease expense.

xiv. TAXATION

Tax on the profit or loss for the year comprises current and deferred tax.

Current tax is the expected tax payable on the taxable income for the year, using rates enacted or substantively enacted at the balance sheet date, and any adjustments in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Temporary differences arising from the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination are not provided for. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

xv. DIVIDENDS

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting. Dividends on shares recognised as liabilities are recognised as expenses and classified within interest payable.

xvi. DEFINED CONTRIBUTION PENSION PLAN

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payments obligations.

The contributions are recognised as an expense in the profit and loss account when they fall due. Amounts not paid are shown in accruals as a liability in the balance sheet. The assets of the plan are held separately from the Company in independently administered funds.

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

1. ACCOUNTING POLICIES continued

xvii. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with EU IFRS principles requires the Directors to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results in the future could differ from those estimates. In this regard, the Directors believe that the critical accounting policies where judgements or estimations are necessarily applied are summarised below.

Depreciation, amortisation and residual values

The Directors have reviewed the asset lives and associated residual values of all fixed asset classes, and have concluded that asset lives and residual values are appropriate.

Impairment

The Directors have considered the valuation of investments in tangible fixed assets. Changes in the circumstances or expectations of future performance of an individual asset may be an indicator that the asset is impaired requiring the book value to be written down to its recoverable amount. Impairments are reversed if conditions for impairment are no longer present. Due to their nature, evaluating whether an asset is impaired or not requires a significant degree of judgement and may to a large extent depend on the assumptions made in its evaluation. The Directors have concluded that the valuation of assets at the year end are appropriate.

Recoverability of receivables

The recoverability of trade receivables has been assessed as at the year end and up until the date of signing these financial statements. Management have based the decision to provide for any amounts based on their judgement of all the available information, and their experience of the specific nature of the trade receivable in question.

Inventories

Stock is included as per the accounting policy set out above. Management have assessed the need to write off or provide against any specific items based on the levels held at year end, and the expected sales of such items in the immediate period post year end.

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

2. OPERATING PROFIT

14. FINANCIAL INSTRUMENTS

Effective interest rates and repricing analysis

In respect of income-earning financial assets and interest-bearing financial liabilities, the following table indicates their effective interest rates at the balance sheet date and the periods in which they mature or, if earlier, are repriced.

	2016 Effective interest rate %	2016 Total £'000	2016 0 to 1 years £'000	2015 Effective interest rate %	2015 Total £'000	2015 0 to 1 years £'000
Cash and cash equivalents*	-	509	509	-	677	677
Loan from Belimo Holding AG*	2.50	600	600	2.50	600	600
Intercompany balance with Belimo Automation AG**	-	1,721	1,721	-	1,510	1,510
	2.50	2,830	2,830	2.50	2,787	2,787

* These assets/liabilities bear interest at a fixed rate.

**This balance attracts interest at 7.75% on overdue amounts only.

Fair Values

The fair values together with the carrying amounts shown in the balance sheet are as follows:

	Carrying amount 2016 £'000	Fair value 2016 £'000	Carrying amount 2015 £'000	Fair value 2015 £'000
Loan from group undertakings	(600)	(600)	(600)	(600)
Intra-group guarantee (see note 1)	91	91	59	59
	(509)	(509)	(541)	(541)
Unrecognised (losses)/gains		-		-

Note 1 - A fellow subsidiary has issued a guarantee in favour of Belimo Automation UK Limited, indemnifying the Company against risk of bad debt on trade debtors and stock obsolescence. This guarantee represents a financial asset and is carried at fair value. Fair value is determined based on estimates regarding recoverability of debts outstanding and stock at the balance sheet date.

Belimo Automation UK Limited

Notes to the Financial Statements

For the Year Ended 31 December 2016

15. OPERATING LEASES

Non-cancellable operating lease rentals are payable as follows:
