In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

YEAR 2000 ISSUES

The directors have made an assessment of the year 2000 problem. They will constantly address the year 2000 problem as it relates to the business and operations. However, they consider that the problem will not greatly affect the company and that the associated costs are not significant.

AUDITORS' REPORT TO THE SHAREHOLDERS

We have audited the financial statements on pages 5 to 8 which have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and on the basis of accounting policies set out on page 7.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND AUDITORS

As described in the directors' report, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

BASIS OF OPINION

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance as to whether the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

OPINION

In our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31 March 1999 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
