**INDEPENDENT AUDITORS' REPORT TO
OAKBOURNE CONSTRUCTION LIMITED
UNDER SECTION 247B OF THE COMPANIES ACT 1985**

We have examined the abbreviated accounts, which comprise the Abbreviated Balance Sheet and the related notes, together with the financial statements of the company for the year ended 30 November 2001 prepared under section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act to the registrar of companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we considered necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Companies Act 1985 and the abbreviated accounts are properly prepared in accordance with those provisions.

NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30 NOVEMBER 2001

1 ACCOUNTING POLICIES

(a) Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

(b) Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

(c) Tangible fixed assets

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant, machinery, fixtures, fittings and office equipment	15 - 33 % straight line
Motor vehicles	25 % straight line
Office equipment	15 - 25 % straight line

Freehold land is not depreciated.

(d) Finance leases and hire purchase

Assets acquired under finance leases or hire purchase are treated as tangible fixed assets and depreciation is provided accordingly. The present value of future rentals is shown as a liability and the interest element of rental obligations is charged to the profit and loss account over the period of the lease in proportion to the capital balance outstanding.

(e) Stocks and work in progress

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost incurred in bringing each item to its present location and condition is determined as follows: Contract work in progress: cost of materials, labour and attributable overheads, plus profit, less foreseeable losses where contracts have reached the stage where this can be reasonably determined. Progress payments received and receivable are treated as turnover of the company, up to the value of work-in-progress, any excess being included in creditors. Net realisable value is based on the value to the company, of work carried out to the balance sheet date, taking into account the margin of profitability earned at the stage of completion.

(f) Deferred taxation

Provision is made for deferred tax using the liability method to the extent that it is probable that a liability will crystallise.

(g) Pensions

The company operates a defined contribution pension scheme and the pension charge in the profit and loss account represents the amounts payable by the company to the fund in respect of the year.
