NOTES FORMING PART OF THE 2007 ACCOUNTS

1. Accounting policies

Basis of Accounting

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets

Consolidation

The company and its subsidiary comprise a small group. The company has therefore taken advantage of the exemption provided by section 248 of the Companies Act 1985 not to prepare group accounts

Turnover

Turnover represents net invoiced sales of goods, excluding VAT

Tangible Fixed Assets

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life

Freehold buildings	-	2% on cost or revalued amounts
Plant and machinery	-	15% on written down value
Motor vehicles	-	25% on written down value

Stocks

Stock and work-in-progress is valued at the lower of cost or net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads

Deferred Taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future

Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

Leased Assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to profit and loss account over the period of the lease at a constant proportion of the outstanding balance of capital repayments
