1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and on a going concern basis which the directors consider to be appropriate in view of their continued support and the continued support of the company's bankers.

Should the company require and not receive financial support then the company may be unable to continue trading. Accordingly, adjustments would have to be made to reduce the value of assets to their recoverable amount, to provide for any futher liabilities which might arise and to reclassify fixed assets as current assets.

1.2 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.3 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 399 of the Companies Act 2006 not to prepare group financial statements.
