The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 June 2012.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 June 2012 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and
- which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 20 March 2013 and were signed on its behalf by:

Mr P R Bull - Director

NOTES TO THE ABBREVIATED ACCOUNTS
for the year ended 30 June 2012

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Preparation of consolidated financial statements

The financial statements contain information about Envirometrics Ltd as an individual company and do not contain consolidated financial information as the parent of a group. The company has taken the option under Section 398 of the Companies Act 2006 not to prepare consolidated financial statements.

Turnover

Turnover comprises rental and leasing income receivable and is stated net of value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 15% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Computer equipment	- 33% on cost

Investment property

In accordance with the Financial Reporting Standard for Smaller Entities the directors have included the company's investment properties in the balance sheet at their estimate of open market value. The aggregate surplus or deficit on revaluation is transferred to an undistributable revaluation reserve. If deficits are considered permanent then these are written off to the profit and loss account.

No depreciation is provided on freehold investment properties which is a departure from the requirements of the Companies Act 2006. In the opinion of the directors these properties are held primarily for their investment potential and so their current value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The provisions of the Financial Reporting Standard for Smaller Entities in respect of investment properties have therefore been adopted in order to give a true and fair view. If this departure from the Act had not been made, the results for the year would have been reduced by depreciation. However, the amount of depreciation cannot reasonably be quantified and the amount which might otherwise have been shown cannot be separately identified or quantified.

Deferred tax

Deferred tax is recognised as a liability or asset if the transactions or events that give an obligation to pay more tax in future or a right to pay less tax in future have occurred by the balance sheet date, although deferred tax is not provided on timing differences arising when a fixed asset is revalued without there being any commitment to sell the asset.

2. TANGIBLE FIXED ASSETS

	Total £
COST	
At 1 July 2011	22,913
Additions	266
