NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2008

1. ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

Turnover

The company's turnover represents the value, excluding Value Added Tax, of goods and services supplied to customers during the year.

Basis of Preparation of Financial Statements

The full financial statements from which these abbreviated accounts have been extracted, have been prepared in accordance with the Financial Reporting Standard for Small Entities (effective June 2002) under the historical cost convention.

The effect of events in relation to the year ended 31 December 2008 which occurred before the date of approval of the financial statements by the Board of Directors, have been included in the statements to the extent required to show a true and fair view of the state of affairs at 31 December 2008 and of the results for the year ended on that date.

Depreciation

Depreciation has been computed to write off the cost of tangible fixed assets over their expected useful lives using the following rates:

Plant and machinery	- 25% per annum of the written down value
Fixtures and fittings	- 25% per annum of the written down value

Deferred Taxation

Deferred taxation is accounted for in accordance with the requirements of FRS19.

Foreign Exchange

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction.

Balances at the year end denominated in a foreign currency are translated into sterling at the rate of exchange ruling at the balance sheet date.
