The company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 28th February 2005.

The members have not required the company to obtain an audit of its financial statements for the year ended 28th February 2005 in accordance with Section 249B(2) of the Companies Act 1985.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies and with the Financial Reporting Standard for Smaller Entities (effective June 2002).

ON BEHALF OF THE BOARD:

Mr K Renshaw - Director

Approved by the Board on 15/12/05

Notes to the Abbreviated Accounts for the Year Ended 28th February 2005

1. ACCOUNTING POLICIES

Principal Accounting Policies

The principal accounting policies adopted in the preparation of the Financial Statements are set out below and have remained unchanged from the previous year and also have been consistently applied within the same Financial Statements.

Basis of Preparation

The Financial Statements have been prepared in accordance with applicable accounting standards and the Financial Reporting Standard for Smaller Entities (effective June 2002)

The effect of events relating to the year ended 29th February 2005, which occurred before the date of approval of the Financial Statements by the Board of Directors, have been included in the Statements to the extent required to show a true and fair view of the state of affairs at 29th February 2005 and of the results for the year ended on that date.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Land and property	- not provided
Plant and equipment	- 15% on reducing balance
Fixtures and fittings	- 10% on reducing balance
Motor vehicles	- 25% on cost

The Directors consider it inappropriate to provide depreciation on freehold land and buildings as it is their practice to maintain the properties in a continual state of sound repair such that their useful lives are so long and residual values so high that depreciation is felt to be insignificant.

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
