NOTES TO THE ABBREVIATED ACCOUNTS
YEAR ENDED 31 MARCH 2013

1. ACCOUNTING POLICIES

Basis of accounting

The Financial Statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year

Stocks

Stock is comprised of freehold properties held for trading and is included in the Financial Statements at the lower of cost and estimated net realisable value

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

Acquisitions and disposals of properties

Acquisitions and disposals are considered to have taken place at the date of legal completion and are included in the financial statements accordingly.

Format of the financial statements

The financial statements are presented in accordance with the format prescribed by the Companies Act 2006 with suitable adaptation thereof which the Director considers to be appropriate having regard to the nature of the Company's activities.
