Report of the Independent Auditors to
ENVIRONMENTAL & TECHNICAL SERVICES
LIMITED

Under Section 247B of the Companies Act 1985

We have examined the abbreviated financial statements on pages three to six, together with the full financial statements of the company for the year ended 31 May 2001 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated financial statements in accordance with Section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Act to the Registrar of Companies and whether the financial statements to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of audit opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with Sections 246(5) and (6) of the Companies Act 1985, and the abbreviated financial statements on pages three to six are properly prepared in accordance with those provisions.

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention.

Financial Reporting Standard Number 1

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Leasehold property	- Over the lease term
Equipment	- 15% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance

Stocks

Stock and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the directors, there is reasonable probability that the liability will not arise in the foreseeable future.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account as incurred.

Pensions

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
