Notes to the abbreviated financial statements for the year ended 30 April 2012

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention modified to include the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2. Turnover

Rental of property is accounted for on a receivable basis

1.3. Investments

Investment properties are revalued annually and the aggregate surplus or deficit is transferred to a revaluation reserve. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise be shown cannot be separately identified or quantified.
