Notes to the Abbreviated Accounts for the Year Ended 30 June 2011

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Going concern

At times the company meets its day to day working capital requirements through an overdraft facility which is repayable on demand. The company has an excess of current liabilities over current assets and without the continued overdraft facility may not be able to meet its liabilities as they fall due.

The financial statements have been prepared on a going concern basis assuming the continued support of the company's bank and do not include any adjustment that could result from a withdrawal or reduction of the overdraft facility.

Turnover

Turnover represents amounts derived from the provision of goods and services falling within the company's activities after deduction of value added tax.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold property	not provided
Long leasehold property	not provided
Short leasehold property	over length of lease
Fixtures and fittings	10% on cost
Motor vehicles	25% on reducing balance
Computer equipment	25% on cost

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 1987, has been fully written off.

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value.

Stock

Stock is valued at the lower of costs and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by the FRSSE

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date

Operating leases

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term

Pensions

The company operates a defined contribution pension scheme. Contributions are recognised in the profit and loss account in the period in which they become payable in accordance with the rules of the scheme
