Triton Container UK Limited

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. The directors have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities

Auditors

In accordance with Section 384 of the Companies Act 1985, a resolution for the re-appointment of KPMG as auditors of the company is to be proposed at the forthcoming Annual General Meeting.

Report of the auditors to the members of Triton Container UK Limited

We have audited the financial statements on pages 4 to 10.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 December 1996 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives on a straight line basis as follows:

Fixtures and fittings	-	5 years
Office equipment	-	3 years

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred taxation only to the extent that it is probable that an actual liability will crystallise.

Turnover

Turnover represents amounts receivable from Triton Container International Inc. in respect of services rendered under a licence agreement.

Cash flow statement

The company qualifies as a small company as defined by Sections 246 to 249 of the Companies Act 1985 and is accordingly exempt from preparing a cash flow statement as required by Financial Reporting Standard No.1.

Operating lease contracts

Expenditure on operating lease contracts is charged to the profit and loss account as incurred over the lease period.
