1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover is the amount receivable by the company in the ordinary course of business for goods supplied as a principal and for services provided

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Freehold property	- Straight line over 50 years
Fixtures and fittings	- 10% on cost
Motor vehicles	- 25% on cost

Stocks

Stock is stated at the lower of cost and net realisable value

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Assets acquired under finance leases and hire purchase contracts are treated as fixed assets. The amount capitalised is the present value of the minimum lease payments payable during the lease term. Depreciation is charged to the profit and loss account in accordance with the normal depreciation policy over the shorter of the lease term and the useful life of the assets. The corresponding lease commitments are shown as liabilities. The interest element of rental obligation is charged to the profit and loss account over the period of the lease on a straight line basis. Rentals payable under operating leases are charged to the profit and loss account over the period of the lease on a straight line basis.
