The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st January 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st January 2020 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Profit and loss account has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 6th January 2021 and were signed on its behalf by:

P T Wilkinson - Director

**Notes to the Financial Statements
for the year ended 31st January 2020**

1. STATUTORY INFORMATION

Patrick Wilkinson (Saddlers) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with applicable accounting standards including Section 1A of Financial Reporting Standard 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Turnover

Turnover is the amount receivable by the company in the ordinary course of business for goods supplied as a principal and for services provided.

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation

Depreciation of fixed assets is charged by annual instalments commencing with the year of acquisition at rates estimated to write off their cost less any residual value over the expected useful lives.

The annual rates used are as follows:

Freehold property - straight line over 50 years

Fixtures and fittings - 10% on cost

Motor vehicles - 25% on cost

Stocks

Stock is stated at the lower of cost and net realisable value.

Current & deferred tax

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current and past reporting periods. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax represents the future tax consequences of transactions and events recognised in the financial statements of current and previous periods. It is recognised in respect of all timing differences, with certain exceptions. Timing differences are differences between taxable profits and total comprehensive income as stated in the financial statements that arise from the inclusion of income and expense in tax assessments in periods different from those in which they are recognised in the financial statements. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities and other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of timing differences. Deferred tax on revalued non-depreciable tangible fixed assets and investment properties is measured using the rates and allowances that apply to the sale of the asset.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.
