The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 1985 (the Act) relating to the audit of the financial statements for the year by virtue of section 249A(1), and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These financial statements have been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985 and with the Financial Reporting Standard for Smaller Entities (effective June 2002).

These financial statements were approved by the directors on the 13 October 2004 and are signed on their behalf by:

Director

The notes on pages 5 to 7 form part of these financial statements.

H W WOOD INTERNATIONAL LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30TH JUNE 2003

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

Due to the on-going support of the company's ultimate controlling party, the directors believe that it is appropriate to prepare the financial statements on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

If the company was unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts, and to provide for further liabilities that might arise, and to reclassify fixed assets as current assets.

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Office Equipment	- 20% straight line basis
Furniture, Fixtures & Fittings	- 20% straight line basis
Computer Equipment	- 25% straight line basis
Improvements to Premises	- 20% straight line basis

Deferred Taxation

Full provision without discounting is made for all timing differences which have arisen but not reversed at the balance sheet date. Provision is made for future taxation on gains on revalued assets only where a binding agreement to dispose of the asset exists at the year end. Deferred tax assets are only recognised to the extent that the Directors consider that it is more likely than not there will be suitable profits from which the future reversal of the underlying timing differences can be deducted.

Foreign Currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.
