**AUDITORS' REPORT TO J C S COMPUTING LIMITED
UNDER SECTION 247B OF THE COMPANIES ACT 1985**

We have examined the abbreviated accounts set out on pages 2 to 4, together with the financial statements of the company for the year ended 30th April 2000 prepared under section 226 of the Companies Act 1985.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) of the Act to the Registrar of Companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and to report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 246(5) and (6) of the Companies Act 1985 and the abbreviated accounts on pages 2 to 4 are properly prepared in accordance with those provisions.

and signed on their behalf by:

..... Director
A J Dey

The notes on pages 3 and 4 form part of these accounts.

J C S COMPUTING LIMITED**NOTES ON ABBREVIATED FINANCIAL STATEMENTS****30th April 2000****1. Accounting policies****Basis of accounting**

The financial statements have been prepared under the historical cost accounting rules.

Depreciation

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Leasehold land and buildings	5% straight line
Computer equipment	20% reducing balance
Motor vehicles	25% reducing balance
Fixtures and fittings	15% reducing balance

Lease and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability.

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis. Net realisable value is based on estimated selling price less the estimated cost of disposal.

Deferred taxation

Deferred taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future.

Pensions

The pension scheme is externally funded and no provision to supplement these funds is required. Payments made to the fund are charged annually in these accounts, with the scheme being non-contributory and providing the directors or staff with a pension on retirement.
