The director considers that the company is entitled to exemption from the requirement to have an audit under the provisions of section 249A(1) of the Companies Act 1985 and no notice requiring an audit has been deposited under section 249B(2) of the Act. The director acknowledges his responsibilities for ensuring that the company keeps accounting records that comply with section 221 of the Companies Act 1985, and for preparing accounts which give a true and fair view of the state of affairs of the company as at 31 May 2000 and of its loss for the year then ended in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to the accounts so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The notes on pages 2 – 3 form part of these accounts.

Signed on behalf of the board:

Approved by the board on:

C T Farley
Director

23 February 2001

CHIRON CENTRES LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MAY 2000

1 ACCOUNTING POLICIES

1.1 Basis of preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with The Financial Reporting Standard for Smaller Entities (effective March 2000).

The company has taken advantage of the exemption in Financial Reporting Standard No. 1 from the requirement to produce a cashflow statement on the grounds that it is a small company.

1.2 Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

1.3 Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their estimated useful life as follows:-

Office equipment	-	15% reducing balance basis
------------------	---	----------------------------

1.4 Deferred taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the near future.

1.5 Stocks and work-in progress

Stocks and work-in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads
