BALANCE SHEET (continuation)
AS AT 31 DECEMBER 1998

The Directors have taken advantage of the Companies Act 1985 in not having these accounts audited and confirm that no notice has been deposited under Section 249B(2) of the Companies Act 1985.

The Directors have also taken advantage of the exemptions conferred by Section 246 of the Companies Act 1985 on the basis that the Company qualifies as a small company as the annual turnover is under £90 000.

DIRECTOR'S RESPONSIBILITIES

Company law requires the Directors to prepare Accounts for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period in accordance with Section 226 of the Companies Act 1985. In preparing those Accounts, the Directors are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

Follow applicable accounting standards, subject to any material departures disclosed and explained in the Accounts;

Prepare the Accounts on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Accounts comply with Section 221 of the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
